

THE FIRST STEP IN YOUR SEWING & EMBROIDERY JOURNEY

Sew Fun and Sew Portable

- **Optimizing Embroidery**

With over 100 built-in embroidery designs and 11 embroidery fonts, the Innov-ís NS1850D can easily jumpstart your embroidery journey. Additional embroidery designs include colorful motif patterns, youthful appliqués, and alphabet and frame patterns as well.

- **A Magical Lineup of Disney Characters**

With 65 built-in Disney embroidery designs - from Pixar and Princesses to Pooh Bear and Mickey and Minnie Mouse - plus compatibility with iBroidery for even more Disney designs, your next project may as well be Disney-inspired.

- **Design Database Transfer**

When connected to a wireless network (wireless LAN-enabled), the Innov-ís NS1850D lets you send embroidery designs from your PC to your machine via Design Database Transfer¹ (no USB required), so you can send and then stitch! This free downloadable software allows for easy data management for all your designs. You can also create and send designs through PE-DESIGN 11² for added flexibility.

- **Generous Workspace**

With the 3.7" LCD color display screen, a 4" x 4" maximum embroidery area, and 6.4" x 4.0" work area, you'll have plenty of room for your next project.

- **Artspira Mobile App¹ - Available Fall 2022**

Download designs or make your own embroidery designs by drawing on your mobile device. Draw line-art inspired designs up to 4" x 4". View your completed drawing on the Stitch Simulator so you can view how your design will look when stitched out. The Artspira mobile app lets you share your creations on many social media platforms³ as well.

- **My Custom Stitch**

Create and save unique stitches for even more personalization.

- **Savvy Sewing**

181 built-in sewing stitches, including 10 styles of one step auto-size buttonholes, and the advanced needle threading system for all your sewing needs.

- **Included Accessories**

Hard case, a wide table, a foot controller, and a selection of feet that includes a Zigzag Foot, a Monogramming Foot, an Overcasting Foot, and more.
