

ORIGINAL SINCE 1851.

Take the guesswork out of sewing with the SINGER® SM024 sewing machine. The perfect machine for beginners, 27 stitches with 97 stitch applications will give you the right stitch for any fabric. Stitches are clearly displayed on the front of the machine for easy stitch selection. A full instruction manual is available online to view or download anytime.

FEATURES & BENEFITS

97 Stitch Applications

Essential techniques for all types of sewing projects.

Needle Threader

Effortless threading of the needle for a faster start.

Drop Feed

Allows multiple sewing applications.

Easy Stitch Selection

Stitches are clearly displayed on the Stitch Selector Dial. Just turn the dial to select your stitch.

Front Load Bobbin

Bobbins are easy to wind and insert, while maintaining a smooth needle plate surface.

Free Arm

Sew hems and cuffs with ease.

LED Lighting

Clear view of the sewing area while reducing shadows.

Adjustable Stitch Length

Customize for creative techniques.

Reverse Lever

Press and hold to sew stitches in reverse to secure seams.

4 Feet Included

Expand your machine's capability for various techniques.

Thread Knife

Cut thread with integrated cutter on the head of the machine.
