

Here at Thomasville we aim to make sure your furniture arrives in perfect condition and is a great fit for your home. This guide should be used to find all required measurements and possible obstructions you should consider for your furniture purchase.

Can our delivery truck fit down your road?

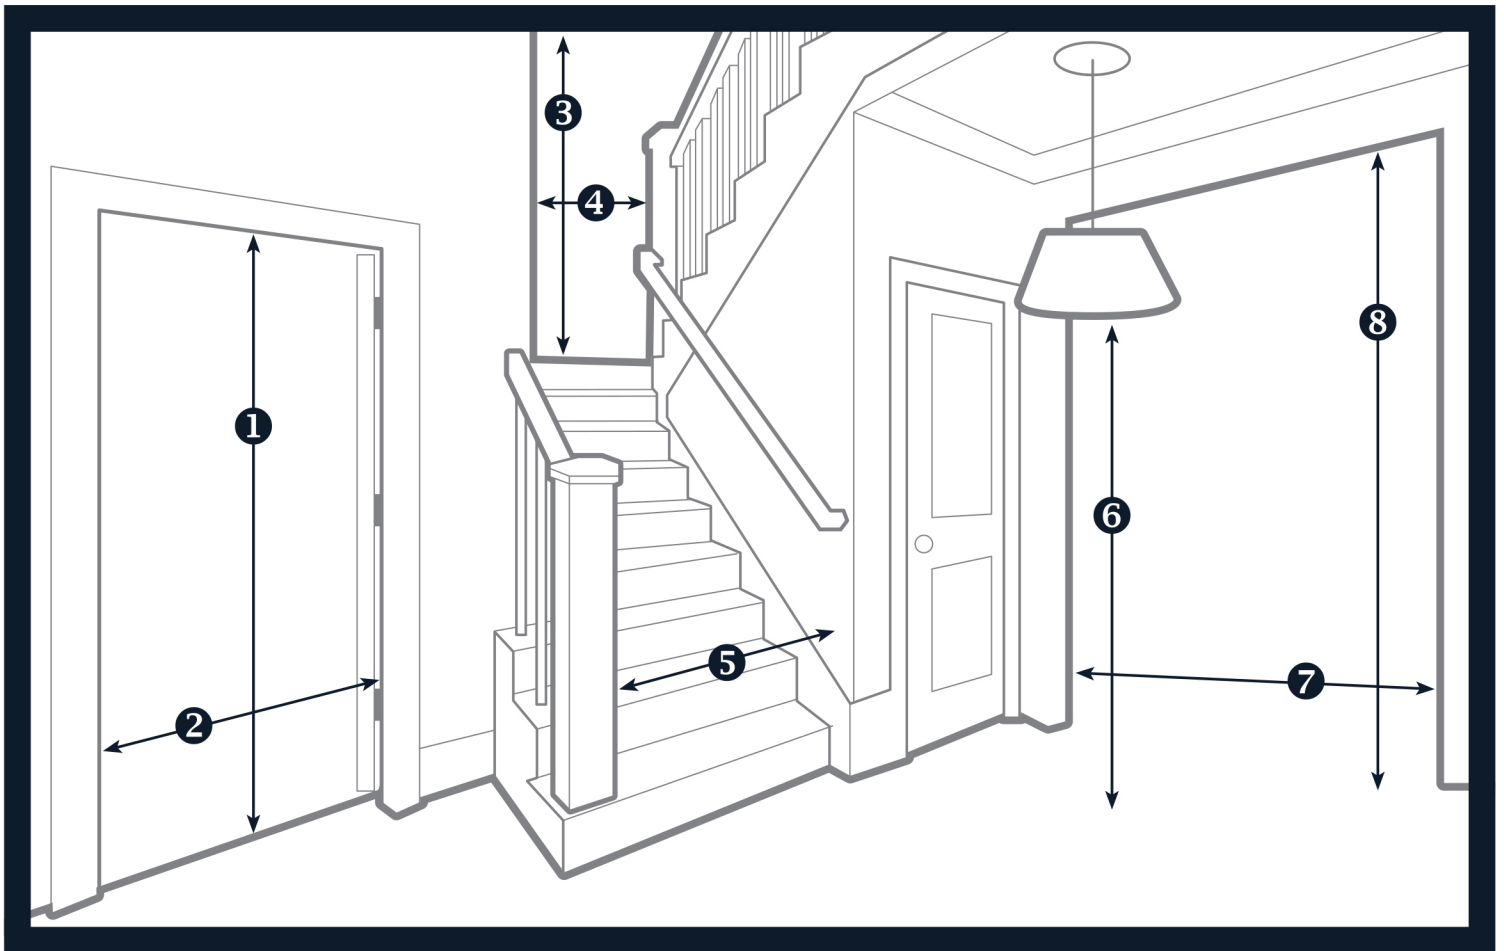

Will your hallway size allow our team through with product?

Will the furniture fit through all doorways?

Can your driveway hold a 26ft truck?

Will the furniture fit up your stairway?

Is your room ready for the product?

1 Exterior/Front doorway height

2 Exterior/Front doorway width & clearance to opposite wall

3 Stairwell overhang/ceiling height

4 Staircase corner width & clearance to opposite wall upstairs if your stairs curve

5 Staircase width

6 Low hanging light fixtures

7 Interior doorway width & clearance to opposite wall

8 Interior doorway height

For apartment buildings or homes with elevators, it is important to measure the elevator opening, and opposite wall distance.
